WASHINGTON DEALERS PUT UP PRICE OF COAL

Increase of From Fifteen to Fifty Cents a Ton-Producers Blamed for Rise.

dealers advanced the prices of hard coal from 15 to 50 cents a ton. The prices next fall probably will be the highest ever asked for anthracite, it is predicted, except during the great coal strike about

Declaring that they will not benefit one cent as the result of the advance, local dealers blame the mine owners and operators for the increases. The extra profit, they assert, will go to make up the inoperators each May reached Washington ranging from 15 to 50 cents a ton. Soft coal was raised 10 cents a ton. The retail prices were advanced accordingly.

As the result of the increase the price of pea coal today is \$5.75, which is 50 cents higher than the price of last winter. Chestnut coal, which has been selling at \$7.20 a ton, is advanced to \$7.35. The September price for this coal will be \$7.65, where it is expected to remain until next

White ash coal, which formerly sold at \$6.75, is quoted at \$7.20 today. The price will advance 10 cents each month until September, when it will reach \$7.50 Beginning with the twenty-five-cent advance today red ash coal will have increased 55 cents by September. The price today is \$7.45. Egg coal will increase at the rate of 10 cents a month until September, and will remain at \$7.25 through the coming is \$6.70. Beginning with September it
